1 Executive Summary

1.1 What is SAMS?

SAMS stands for **Students Academic Management System**. In this system, students are taking admission online into +3 classes of Arts, Commerce and Science streams along with Sanskrit Colleges. This admission process, which is carried out through internet and computers is called as e-Admission. Besides e-Admission, SAMS also maintains the academic and financial records of each student admitted into different colleges.

This initiative was started during the academic session 2009-10 in 60 Junior Colleges, expanded to 169 Junior Colleges (+2) and 53 Degree Colleges (+3) during the session 2010-11 and to all Junior Colleges (including +2 Self-Financed Colleges) and 162 Degree Colleges (+3) during the session 2011-12. From the session 2012-13 all Junior & Degree/Autonomous Colleges (including Self-Financed Colleges) of the state have come to the SAMS fold and finally all Vocational & Sanskrit college brought to the SAMS fold from the session 2016-17. From the Session 2017-18 all ITI are included and from 2018-19 all Govt./Private ITI, Sports and Diploma institutions are included under SAMS e-Admission and it has been approved by the Government of Odisha.

After the separation of +2 and +3 Colleges, Schools & Mass Education Department has taken over the e-Admission process of +2(Higher Secondary) classes from 2018-19, while Higher Education Department will look after the admission into Degree/Autonomous including Sanskrit (Shastri) Colleges.

1.2 Objective

The objectives of SAMS are to;

- Ensure single window system for admission through e-Admission process
- Make the admission process economical
- To make the entire admission process transparent, thereby reducing the anxiety of applicants/parents regarding selection
- Reduce the work load of college by developing several modules of administration using the database of admission process and thereby improve services to the students.

1.3 Components of SAMS

There are two components of SAMS: e-Admission & e-Administration;

1.3.1 e-Admission

e-Admission aims at successful use of Information Technology to make the admission process simple, economical, fast and transparent. This process is accomplished by the use of Computers and Internet.

- 1.3.1.1 Admission will be completed in two rounds i.e., First Selection & Second Selection (1st slide-up) for the applicants applied online. After that, admission will be done for the balance seats through offline CAF (Common Application Forms). The cut off mark for offline admission will be three (3) marks below the cut-off mark of second round for that category (Gen/ ST/SC). In case SC/ST students are not available, such seats can be allotted to general students as per General Cut-off mark (i.e. 2nd Selection General Cut-off minus 3marks)
- 1.3.1.2 Each student will have to give minimum of 5 choices during CAF entry. This is to ensure that the student is not left without any selection.
- 1.3.1.3 Facility for a student selected in lower preference of choice, to opt out from sliding up process through Annexure-7 is removed from the session 2018-19.
- 1.3.1.4 Online payment of CAF fees will be introduced from the session 2018-19. Offline payment option at SRC as per previous practice will continue in case student prefers it. General category students who do not claim any reservation / weightage (NCC, NSS etc.) can be validated online without SRC (SAMS Recourse Centre) authentication if they also pay fees online. They need not submit a physical copy of CAF in any SRC. Similar is the case for SC/ ST candidates whose certificate is issued through e-District software. Such online validated CAF will not be tagged to any SRC. Any updation relating to error reporting for those CAFs will be done by Higher Education Department through PTC.
- 1.3.1.5 The applicants whose CAF donot require any validation by SRC but have to deposit CAF fees offline, they will deposit the fees at SRC with a copy of the CAF. The SRCs will be paid only Rs. 50/- for such CAF as no data validation is required.
- 1.3.1.6 Those applicants who make the payment online but claim some weightage (NCC, NSS etc), their CAF will be given MRIN no., and validated by the SRCs. Fees will be transferred to the SRC from the central account.
- 1.3.1.7 An applicant has to provide unique mobile number during CAF entry to ensure fool-proof delivery of SMS related to admission, slide up etc. Uniqueness of the mobile number will be maintained in the SAMS database for that particular session.
- 1.3.1.8 There will be no CAF fees for PwD and 3rd gender (Transgender) applicants.
- 1.3.1.9 As the District PMU has not been renewed, all queries related to SAMS admission will be addressed by the Sanjog helpline. The helpline will be functional daily from 6.00 AM to 10.00 PM including Saturdays/ Sundays/ Govt. holidays for the four months during SAMS admission.
- 1.3.1.10 After the completion of admission process, any transfer due to exigencies are allowed only if the student mark is above the second round cut off mark for his/ her category (Gen/ SC/ ST) in the destination college.

1.3.2 e-Administration

e-Administration uses the admission database for issue of College Identity Cards & Library Cards, record of fees collected from the students, allocation of subjects and sections, Preparation of Long Roll Register and Return of Intermediate, Maintenance of students attendance, Tabulation of college level examination marks, issue of College Leaving Certificates etc. This would improve efficiency, saves precious time of college authorities and ensures dissemination of correct information and services to all its stake holders.

1.3.3 Colleges under SAMS
